Relief may be taken from stakes with ropes attached (TIO's). The additional relief provided by this Local Rule includes the ability for a player to take relief when the TIO is located on a straight line between his or her ball and the hole (Known as "line of sight relief") by moving sideways, keeping the same distance from the hole (also known as moving along the "equidistant arc")

Annexure:

Under the "New Rules of Golf 2019" some rule changes were made as a guide for clubs to help with the speed of play.

A "Local Rule" is required for these rules to take effect. At this stage, Kew CC will not be making a Local Rule for the following Rule:

(Lost Balls or Out of Bounds)

The following rule is in play at Kew CC. (Rule 14.6)

If you play a ball and it cannot be found within three minutes or if you hit a ball out of bounds you are required to hit a replacement (Provisional) ball from within one club length of where the original ball was played. (Rule 14.6)

Remember: If at any time you feel that the ball you have played may be lost or out of bounds, you can play a provisional ball and if you cannot find your original ball within 3 minutes you can continue with your provisional ball under penalty of 1 shot plus distance. (Rule 14.6)
