CLUB CHAMPIONSHIPS

Next week is the first of 3 consecutive weeks of stroke play that comprise this year's Club Championships.

To qualify you must have played 13 or more Monday games with us since the last championships or if you have joined us as a new member since then you must have played 6 games or more with us on a Monday.

If you do not qualify for the Championships you are of course still welcome to put your name down and play on these 3 Mondays in these stroke events.

BUSY SEPTEMBER

These are coming events in the month of September outside our regular Monday KCC programme.

11th – (Wednesday) Bill Medley Shield at Frederickton

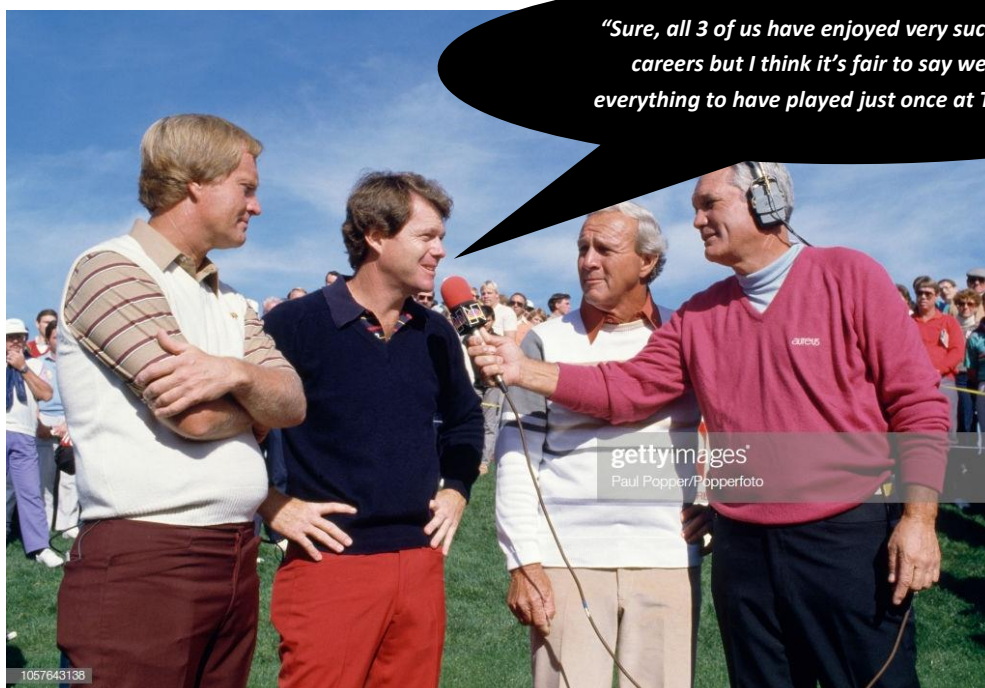

20th – (Friday) Road trip to Tallwoods

27th – (Friday) Bill Medley Shield at South West Rocks

30th – The Hoffman Cup at Emerald Downs

ROAD TRIP TO TALLWOODS – SEPT 20th

As mentioned last week the Tallwoods course has undergone a massive improvement and is well worth checking out. We hope to hire a bus to save us all driving down separately. Carts are essential and are available at the course. \$40pp all inclusive. Place your name on the sheet that's circulating if interested.

"Sure, all 3 of us have enjoyed very successful golf careers but I think it's fair to say we'd trade everything to have played just once at Tallwoods".
