Members Survey

Many thanks to those members who took the time to fill out the Survey in the recent newsletter. A brief initial response indicates 50% of respondents play at least twice a week and 20% play more often. There was strong support for regular Stableford competitions and monthly Stroke events. Team events such as 2/4 Ball and Ambrose received support for periodic monthly or yearly events. Although 60% of respondents show no interest in 9 Hole events, 30% did indicate playing in either a Wednesday or Friday comp. The Men's Golf Committee will continue to review all feedback from members to ensure a challenging and interesting golf program.

All members of the KCC Men Veteran's Committee join with me in wishing you and your family a very Merry Christmas. We hope to see you out on the golf course again soon.
