Great News

Mr Doug MacLean, who needed medical attention on Monday, has been given the all clear and is now back at home. Nothing too sinister, thank heavens. This incident is a timely reminder for EVERYONE to ensure they hydrate sufficiently on hot days – before, during and after they play golf.

English PGA professional Luke Donald, generally considered to be the best bunker player ever to play the game, seen here practicing amongst the 250ft sand dunes of Abu Dhabi's Liwa desert ahead of the 2012 Abu Dhabi HSBC Golf Championship. Luke has declined numerous offers over the years to head down under to play at Kew Country Club and sights our bunkers as the main reason. *"No f%##n' way"* Luke says, *"haven't seen your bunkers but I've heard about 'em, no f%##n' way!!!"*
