Thank You

Thank you to everyone who participated in this week's special Green Keeper's Revenge. The tees and pins were set up for a bit of fun and most people accepted that and played their round in great spirit and besides, the last time I checked there was nothing wrong with a bit of fun.

Next Week

Single stableford.

Birthday Greetings

Happy 90th birthday to John Hodge. Every single veteran golfer hopes he's still playing golf at that same age. You are an absolute credit to yourself, your family and our club. Congratulations.

I Promise It Won't Kill You.

Next time you're on line booking your tee time for your Monday round of golf and you see a vacancy amongst a group of players you may never have heard of, let alone played golf with before, why not go ahead and put your name down. I can't think of anything more boring or less adventurous than playing at KCC with the same people every week. The men veterans are a great bunch of guys – it's just a matter of getting to know them and hey, perhaps a change in scenery is exactly what your golf score needs.
