### UNNECESSARY NOISE

In recent weeks there has been a number of complaints about players displaying their emotions through the excessive use of deafening expletives.

On Monday a very loud “fu\*k’n’ hell”, believed to have emanated from the 7<sup>th</sup> green caused someone on the 12<sup>th</sup> green to miss their putt. And apparently an ear-piercing “holy sh\*t” used by someone in a greenside bunker caused this same gentleman to duff his next drive.

Although there is no evidence whatsoever to suggest that a number of the well-heeled privately-schooled kangaroos along the 16<sup>th</sup> fairway have left the area permanently as a result of this recent spate of colourful language we do take all complaints seriously. We therefore ask that players respect all others on the course and keep any audible obscenities to an absolute minimum.
