On Monday we were addressed by our course superintendent Mr Brendan Hansard who asked that players who putt with the flag in are to take more care when removing their ball from the cup to avoid the damage currently being caused by using the flagstick to remove their balls.

Brendan also thanked the men veterans for their donation of \$5000 towards the 18<sup>th</sup> fairway modifications and path construction.

### **DO NOT BEND THE RULES – BIG BROTHER IS WATCHING YOU!**

When having to identify your ball (not that you should need to if it's properly marked) you should only lift it just enough to identify it and should place it back in the exact same spot it came from. A number of players are 'identifying' their ball whilst providing themselves a better lie.

### **NEXT WEEK**

Next week is a Foursomes event. Please ensure you know the rules and how to score BEFORE you tee-off. And remember, it's only a game of golf so if your partner happens to stuff-up every hole just chill-out and relax.
