Next Week's Golf

Next Monday is a shotgun start single stableford with an 8.00am start

Next Week's AGM

Straight after next Monday's golf we'll be conducting our Men Veteran's AGM complete with complementary lunch. Please stick around for this meeting to encourage, cajole, criticise, congratulate, castrate, calm, corrupt or canonize your committee. Or if you simply wish to come along to be updated on where things are at with vet's golf at KCC, we'd still love to see you there.

Special Acknowledgement

Jim Cunnington who turned 90 years of age last week shot 90 off-the-stick on Monday. This man is indeed a legend.

Week of Golf

The *2019 Week of Golf* has been run and won and the Committee is proud to report that it was a resounding success. We are quite sure that most, if not all visiting golfers will be back again next year. Thank you to all who gave up their time to assist and to KCC members who gave up their course for this important annual event.
