10th Hole A Grade W Delaney, B Grade Keith Loney, C Grade C Johnson.

12th Hole A Grade R Barnett B Grade Tony Denzel, C Grade Ashley Eyles.

(Interesting to note no Harrington visitor won a NTP ball)

KCC won the day's event but the lead Harrington had over us after the first round was too much to overcome. Harrington won the overall Challenge by a slight margin (due to the army of 30 they brought along). Next year I urge our members to travel to Harrington for the away match – it's always a great day.

A big thank you to the following three members who gave up their round of golf on Monday to ensure we were all adequately satiated – Mr Steve Hoffman, Mr Kevin Brennan and Mr Paul Alldis. Well done guys.

Bill Medley Shield

The Bill Medley Shield team representing KCC at Frederickton last Friday played in the worst conditions, having to put up with the afternoon wind, but still didn't fair too badly. Murray Cowled was our best with 38 pts.

The progressive tally for the Shield now stands as follows –

Port 1437

Freddo 1395

SWR 1378

Wauchope 1366

KCC 1364

Kempsey 1317

Crescent Head 1188

Next Week

Next week we are playing a single stableford. The following Monday, however, the course is closed for maintenance so we are playing on Wednesday 2nd Oct. Book in on-line as per normal.

Tallwoods

If you are travelling on our bus to Tallwoods this Friday and you don't know the pick-up points or times please ring Col Voss on 0413 672 917. We do not want you to miss the bus and we are certainly not coming back for you.
